Attention Students: In addition to this form, you must give the teacher recommendations to your English teacher and one teacher of your choice. They will return those directly to the office. Your responsibility is to get this form to the office on time.

You will be notified in the summer if you have been accepted. If you are accepted, your first responsibility will be to work one day during summer registration. You will be contacted with details.

Please note that almost everything in this class is done in groups. You must be willing and able to work with others. Creating the yearbook is a big responsibility, but it is also very exciting and rewarding!
